How to achieve success?

Hyderabad-based author Revathi Turaga, an international trainer, inspirational speaker, happiness facilitator, leadership coach, strategic entrepreneur and innovation consultant launched her books 'You have the Power' and 'Unlock'. Dr Renu Khanna, former Global Head of Leadership and Development, Tech Mahindra launched the books during an event was organised by the Turaga Foundation at the Phoenix Arena, Hyderabad. The event was attended by 100 plus members including IT professionals, the Hyderabad Runners, and students. Turaga Foundation

Turaga Foundation launches Revathi Turaga's managerial and self-help books which talks about simple techniques and quotations to communicate better and achieve success in life

is a registered not for profit trust with the purpose of celebrating achievements of people in the literary and cultural fields by organising cultural events and literary contests, publishing and releasing

books, as well as felicitating people in the creative field. About her books Revathi Turaga says, "The books are simple techniques and quotations to communicate better and achieve success in one's managerial, leadership, and self-help areas at work and in life."

Dr Renu Khanna spoke about the author's journey from an engineering career to being a certified psychologist and coach and urged the audience to buy and read the books. They cover concepts from listening and conflict resolution skills to risk taking and breaking paradigms for success and happiness.
